

Fienile outdoor

Design Daniel Rybakken, 2019

**LUCE
PLAN**

Type:	Floor	
Lamps:	LED 17W, 3000K, CRI 90 available with: on/off LED remote driver ^(*) dimmable push/DALI remote driver ^(*) Light grey: 923 lm Dark grey: 780 lm	EEL: A+
Product use:	Outdoor	
Materials:	Structure: aluminium structure Screen: polycarbonate	
Colors:	Light grey, Dark grey	
Description:	Originally created as a table lamp, Fienile is also available in floor lamp versions for outdoor use, based on the same design inspired by the iconic rural buildings of Norway. Fienile Outdoor is a work of micro-architecture, with its walls and pitched roof extruded in a single, solid block of coated aluminium, while the diffuser is in polycarbonate.
