

Nui mini

Design Meneghello Paoletti Associati

**LUCE
PLAN**

Type:	Portable rechargeable
Lamps:	Custom 6W LED circuit 2700K CRI 90 - rechargeable dimmer on board
Product use:	Outdoor/indoor
Materials:	Structure: painted steel and crystal Screen: polycarbonate
Colors:	White, sand, greige
Description:	Part of the NUI family, NUI Mini translates its inspiration and design into a rechargeable table version. Offered in three colors for the top (white, sand and greige), it has a base in transparent crystal that contributes to create a sophisticated game of reflections.

Insulation class:   **CE IP54**

Reference code: 1A020=R10002 white
1A020=R10004 sand
1A020=R10039 greige
